What the Advising & Career Center has to offer!!

What is Academic Advising?

Academic advising is a collaborative relationship between a student and an academic advisor with the intent of working together to develop meaningful educational goals.

Our Objectives are

- to provide quality information and services to KVCC students;
- to assist students in developing an educational plan for graduation or transfer;
- to serve KVCC students in choosing majors or occupations;
- to provide registration services to students when faculty advisors are unavailable and;
- to connect students to appropriate resources on and/or off campus.
