

Teacher

What would Grice say?

Adequate Quantity
Adequate Quality
Relevant Information
Appropriate manner of communication

What I know about my Learners.

Adaptive

Can be modified by instructor alone

Reflective

Teacher facilitates thinking

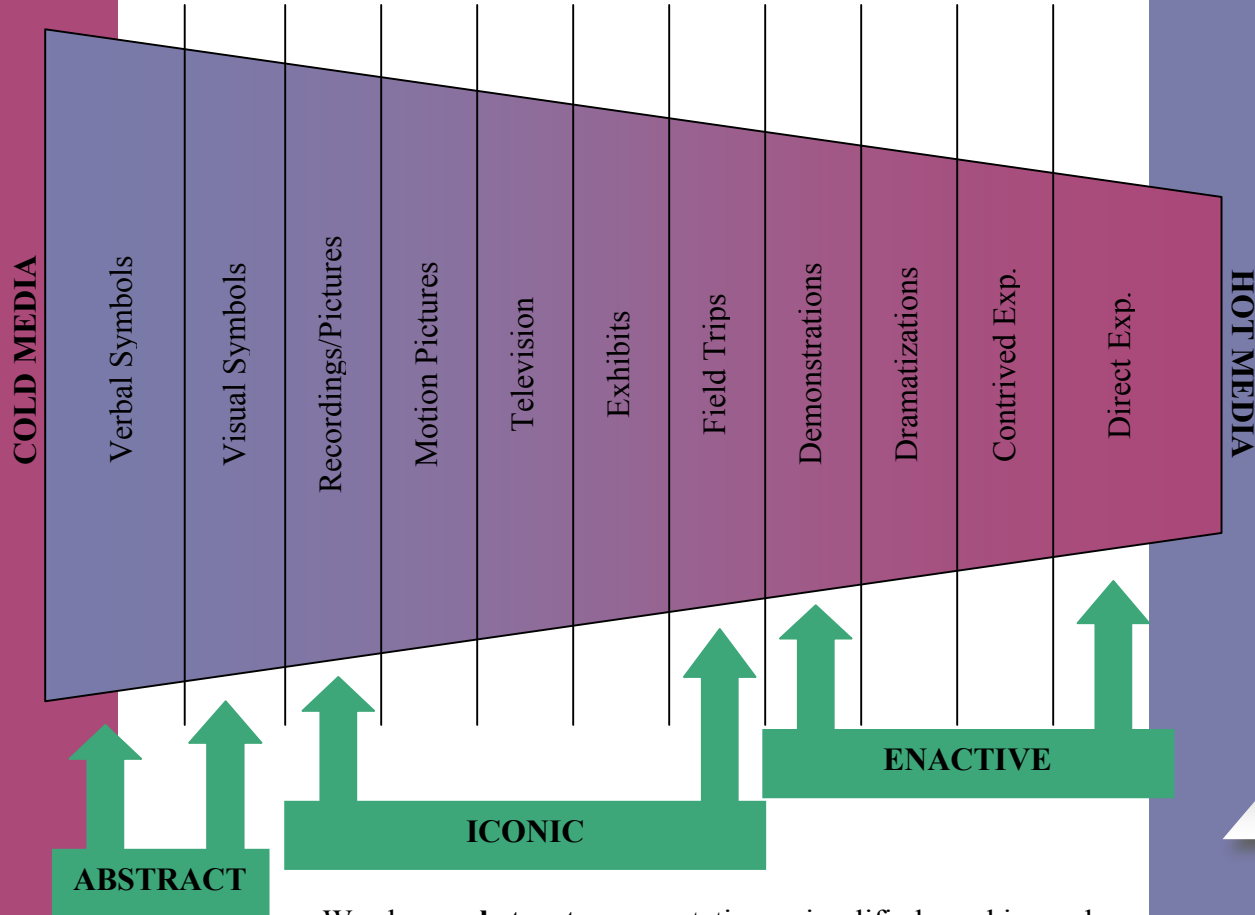

Discursive

Everyone can manipulate the media

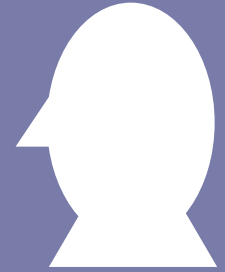

Interactive

The learner is acting alone

More Instructor Control ----- More Learner Control

Words are **abstract** representations, simplified graphics and lines are **iconic**, and authentic experience is **enactive**

What do I already know about all this?

Learner
